

# Mitosis Assignment

Scan Code

**Directions:** Using the above QR code watch the attached video and then complete the following assignment by answering each question on your own sheet of paper. Turn in your answers before the end of class.

- 1) What is one reason that cells carry out mitosis?
- 2) What are the five stages of mitosis?
- 3) Define each stage of mitosis in your own words.
- 4) Draw one stage of mitosis of your choice. Be sure to label each structure involved.
